¹ Data for the current year are provisional.

² STD data represent months derived from the CDC's standard reporting weeks.

³ Excludes *N. meningitidis*, *Listeria*, *H. influenzae*, and *S. pneumoniae*.

⁴ As of January 2006, total invasive *H. influenzae* cases are presented without brackets and cases for invasive *H. influenzae* serotype b are presented as such, [total cases of invasive *H. influenzae* serotype b].

⁵ Data regarding AIDS cases and deaths are provided by the AIDS Activities Coordinating Office (AAO). Counts of AIDS deaths reflect actual month of death.
